The Adventure Continues with Delicious Food, Wine, and Candid Dinner Conversation with actress **Sarah Douglas** at **Petruzzello's in Troy Michigan**.

The end of the school year often marks the end of a guaranteed meal for almost half of Detroit's children. In Southeast Michigan more than 300,000 free or reduced fee breakfasts and lunches are served daily during the school year. **The Children's Hospital of Michigan Professional Nurse Council at the Detroit Medical Center (DMC)** leads a community effort to provide area children with a consistent daily meal over summer recess. Joined by Jay Towers with **Fox 2 & iHeart Radio**, all cereal collected is donated to **Gleaners Community Food Bank of**

Southeastern Michigan, who then distributes donations throughout the community to over 500 food pantries in Southeastern Michigan.

Knowing she was visiting Michigan for **Motor City Comic Con** May 17th- 19th, Sarah reached out and asked how she could help raise money for our **10th Annual Cereal Drive**. Not only is she our favorite Superman "Super-Villian" but she is also a giving and loyal friend to us all.
